Dedication

Our quiet and good-natured coach, Paul Everitt, who added track and cross country to our athletic program was born at Hardensburg, Orange Co., Indiana. He went to elementary school and continued through high school at Hardensburg.

He started to college, then stopped to serve his country. While in the armed forces, he went to the University of Alaska. Having been discharged, he continued his college career at Indiana University.

He came to Ashley in 1946. This was his first experience at teaching.

In 1954 he married June Dunn, our Home Economics teacher, who valiantly cheers him and his team on to victory.

We the class of 1958 dedicate this annual to Paul Everitt in appreciation for his guidance in sports and social studies in the past.

Class History

On August 25, 1954, 44 green Freshmen under the sponsorship of Harold Arney, started climbing the stairs toward graduation day. Our class officers that year were Janet Lepley, President; Jerry Forrest, Vice-President; Phyllis Kneubuhler, Secretary; Pat Camp, Treasurer; Lyle Lockwood, Historian; Wylene Farrington, Reporter. We had a skating party at Silvermoon. Several weeks later we had a class party at Sue Jo Esselburn's home for the winning team that sold the most skating tickets. We had a class meeting and chose maroon and white as our class colors. We also received our red and blue school sweaters that year. Janet Lepley and Barbara Reinoehl went to the algebra contest and Janet went to state contest and won a bronze medal for her efforts.

September 6, 1955!! That date will never be forgotten! Why? Because thats when 42 Sophomores began our Sophomore year. Paul Everitt was our class sponsor that year. We elected officers to take us up the second flight of stairs to our graduation and they were Jerry Forrest, President; Janet Whysong, Vice-President; Connie Brand, Secretary; Pat Camp, Treasurer; Wylene Farrington, Historian; Elda Biggerstaff, Reporter. We had a freshman and sophomore square dance party in the town hall. We received our class rings that year. Lyle Lockwood and Janet Lepley went to the state geometry contest that year.

As we climb our third flight of stairs, our class officers in our Junior year were Jerry Forrest, President; Janet Whysong, Vice-President; Connie Brand, Secretary; Pat Camp, Treasurer; Lyle Lockwood, Historian; Barbara Reinoehl, Reporter. We had 36 members and Dollie Arney was our class sponsor. We had two skating parties and a paper drive that year. Barbara Reinoehl invited us to her place for a Christmas Party. Our magazine sales drive set a new record high for the school that year. Each spare moment during the last of February we practiced for our play. We presented "If Mother Only Knew" featuring Golden Rod Maxwell. We had a fine party at Pokagon Park, but we forgot our weiners and buns so in order to use our left overs we had a party after class night and invited the seniors.

We finally arrived at the top of our long climb under the leadership of Francis Kugler our President and Fred Frederick our sponsor with Janet Whysong, Vice-President; Connie Brand, Secretary; Jerry Forrest, Treasurer; Lyle Lockwood, Historian; Pat Arnold, Reporter. After using the town hall for our Junior Play we really appreciated our new gymnasium. Our play was "Headin' For the Hills," featuring Widow Squiggins. We had a party at Barbara Reinoehl's home after our play. On Oct. 17 we went to Fort Wayne and had our pictures taken. We had a Christmas Party in our school cafeteria and we were visited by Santa Claus. Jan. 15 we started working on our annual. We have chosen our diplomas, invitations, caps and gowns and are now planning our Senior trip to New York and Washington, D.C. We have enjoyed the past four years with our teachers and friends in Ashley High.

Last Will And Testament

Being of sound mind with only a few loose screws, and having successfully? served our time for at least twelve years in an institution of this type, do hereby bequeath all we have begged, borrowed, stolen, or acquired during those twelve years to many unsuspecting individuals and groups.

To the Future Graduates, we leave the new building, unmarked, unscratched, unbroken, unpainted, uncarved, unmutilated, and unpaid for to see how long they can leave it as such.

To the Teachers, we leave the unfound hiding places in the new building so they can catch the other kids where they didn't catch us.

To Fred, we leave a tool set so he won't have to borrow Wade's all the time.

To the Freshmen, we will the long halls to run in to burn up excess energy.

To the Sophomores, we will the P.A. and intercom system so they can figure out a way to keep it from working.

To the Juniors, we will "time" for they never seem to have enough of it, and when they become seniors they can have their corner in the assembly and the opportunity to make an annual.

We will all our old cut up photographs, clippings, and glue from the annual, and all the muddy floors, initialed desks, old workbooks, worn notebooks, used bubble gum, pencil stubs, and old love notes to the janitor and his wife.

Lastly the following individuals leave their most treasured worldly possessions to unsuspecting individuals to carry on the tradition of A. H. S.

I, Patti Arnold, will my private telephone line to my niece, Michele Arnold, so she can talk as long as she wants without having the operator interrupt her by asking for the line.

I, Elda Biggerstaff, will my large nose to Bobby Taylor.

I, Connie Brand, will my date book to Harriet Allen. The thing is a bit confusing due to cross-outs and write-ins, but if she is careful she can have a lot of fun.

I, Pat Camp, will my great height to Jerry Brand so he can date tall girls.

I, Phil Clark, will everything which I have borrowed from Fred Stout back to him, included in these things are many unmentionables.

I, Silene Days, now that I am real gone, will my crazy Rock and Roll to Martha Dilley.

I, James Denman, will my ability to smoke cigars to Jerome Jackson.

I, Sue Esselburn, will my steady way to Joyce Albright who is so unsteady.

I, Larry Farver, will my perfect articulation to Fred Stout hoping he will talk so he can be understood.

I, Jerry Forrest, will my shy quiet ways, which impresses the teachers, to Robert Strite who always gets caught.

I, Janice Funk, will my Bermuda socks to Dollie Arney who is just "crrraaazzzy" about them.

I, Vincent Geistwhite, will my ability to be the only bearded man in the senior class to Bill Mergy.

I, Darrell King, will my extra large halo to Bruce Scranage who can sure use it.

I, Francis Kugler, will nearly all my girl friends to Jim Weilbaker. I'm sorry Jim that I'm selfish, but I need a few to work with yet.

I, Hubert Kugler, will all of my garbage from the school cafeteria to Bob Strite so he won't starve in the near future.

I, Janet Lepley, will all my notes, which I took during my four years of high school, to Gene Noll who skips school so much.

I, Lyle Lockwood, will my track and cross country ribbons to Darrel Myers.

I, Joyce McGrew, will my five cuds of chewing gum under my desk to Mike Healey hoping he will throw them according to the day they come; Mon., Tues., Wed., Thurs., and Fri.

I, Judy Miller, will my ability to play a trombone to Larry Carpenter who blows his nose so loudly. He may win a music contest next year.

I, Pat Mortorff, will all my tears I shed in Physics class over Physics problems to Mr. Arney, so he can find the salt content in them in Chemistry class next year.

I, Barbara Reinoehl, will all the carrots I have cut up in the lunch room to Paul Everitt. He doesn't eat enough of them in his diet.

I, Laura Sanders, will all my old love letters from a certain Marine to Mae Evers.

I, Donald Schiffli, will my last bald tire to Charles Schuman.

I, Ferdinand Schortgen, will my BIG PART in the play to Fred Stout.

I, Barbara Smith, will the price of electricity it takes to balance her bookkeeping to my sister, Ruth, who balances for hours and never balances.

I, Linda Stahl, will my bashful ways to Jeannetta Baumgartner.

I, Pat Stoy, will my worn out anklets, because I shall now wear nylons, to Iris Mock.

I, Janice Treesh, will my pretty brown high heel slippers which pinch my feet, to Norma Jean Johnson so she will be taller.

I, Hugh Voges, will my old drivers training manual which I have memorized to Benny Eilert.

I, Janet Whysong, will my twirling ability to Bill Gaetz.

I, Juliana Shoudel, will my handbook, "How to Get Good Conduct Grades," to those who don't know why they get poor ones.
